

MY TIMELINE

What Can I do in High School?

Take the [ACT](#) and [SAT](#)

Complete College Applications:
[The Common Application](#)
[CFNC](#) and
Individual applications.

Be aware of transcripts and
transfer credit such as: Early
College, AP, IB, CLEP or Transfer
Credit.

Participate
in extracurricular activities:
Sports, jobs, clubs, organizations,
volunteering.

What Can I do in College?

Medical schools require you to have at least a
Bachelor's Degree. You can [transfer](#) from a NC
community college to public NC university and
still go to medical school.

Picking a major does not effect your acceptance
into medical school as long as you have the
general course requirements. Generally: 1 year of
Biology + labs, 1 year of General Chemistry + labs,
1 year of Organic Chemistry + labs, 1 year of
Physics + labs.

Suggested for MCAT prep: Psychology, Sociology,
Anthropology, Biochemistry.

Other opportunities to distinguish
your application include: Shadowing, volunteering,
clinical experiences, research.

What about Medical School and Residency?

Medical schools require you to take the [MCAT](#)
exam at least one year before entering medical
school.

[AMCAS](#) is the application for MD (allopathic).
[AACOMAS](#) is the application for DO (osteopathic).

Applications open about one year before
entering medical school. The application
process includes: primary application,
secondary application, and in person
interviews.

Medical school is four years.
[Residency](#) is five years but sub specialties
may take longer such as [Hand Surgery](#).

GENERAL SURGEONS...

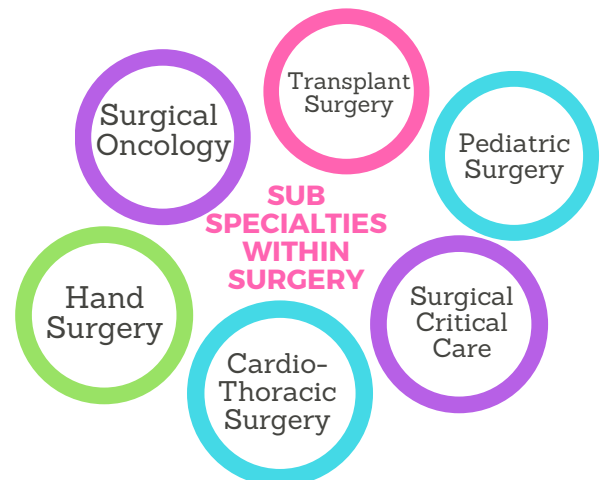

Advocate for patients in
the health care system

See patients inside and
outside of hospitals

Care for patients of
all ages and genders

Are needed in Western
North Carolina

Use cutting-edge technology,
promote healthy lifestyles,
conduct routine check ups, AND
MORE!
