

MAHEC Dental Assistant to Receive MPH Degree Before Starting Dental School this Fall

(April 15, 2024): The first graduating class of the [UNC Asheville - UNC Gillings Master of Public Health program](#), will receive a jointly conferred degree in May. Among the graduates will be MAHEC dental assistant **Juhi Barot**, who will continue her education this fall at UNC Adams School of Dentistry.

Juhi graduated with a biology degree from Warren Wilson College. As a student, she identified ways to advocate for greater reimbursement of dental health services by Medicaid and developed a plan for a patient advisory board for the Gender Health Clinic at MAHEC. Our congratulations to Juhi!
